CHILDREN'S SERVICE

Kogarah Community Services Inc., (KCS) Children's Service provides care for 105 primary aged children daily; our focus is to provide a range of recreational activities for children in a safe and enjoyable atmosphere. Activities range from sport, art and craft, group games and quiet activities. Before and After School Care is not an extension of school, therefore, the children are free to choose what they would like to do, children are encouraged to play safely, follow the rules and respect the rights of other children and parents, and staff at the Centre.

Our Out of School Hours (OOSH) centres are staffed by Qualified and Experienced staff, who are happy to help with your enquiries.

All KCS OOSH Centres are registered with the National Child Care Accreditation Council for Quality Assurance. This process aims to enhance the quality of care through an accreditation process.
