

TERM 2

CARLTON SOUTH OSHC

THE GREEN PROGRAM - DOM

On Thursday afternoons for the remainder of the term Dom will be running a program that will promote the re-use, recycle and re-purpose of everyday home and school materials. The program will help children in becoming stewards of the environment, protecting our natural resources. If you would like to find out more about the program please talk to Dom in centre.

Other additional programs that will run for the remainder of the term include a Sports program on Thursday afternoons with Ben and a creative writing program run by Zoe on Friday afternoons. In addition we will be having a number of themed program weeks. **Be on the look out for all things Dragon's next week.**

BLAKEHURST OSHC

Welcome back Blakehurst Before and After School Care families!

Emily and I are so thrilled to be back for the reopening of Blakehurst OSHC this week. We're already getting back into action and continuing program favourites such as Lego Tournament, Cooking and Creative Arts. We have also encouraged new program ideas from the children which include winter crafts, gardening and dodgeball.

We're looking forward to the following weeks of Term 2 and can't wait for families to return back to our care!

Stay safe and well, Jasmine

ACTIVITIES TO TRY AT HOME

COOKING - SAUSAGE ROLLS
