

## BLAKEHURST OSHC TERM 4 2020

### BLAKEHURST OSHC TERM 4 WEEK 1

Welcome back! We started off the term with new programs and a new afternoon tea menu, which is a big hit with the kids!

The children enjoyed doing sports at the basketball and netball court on Tuesday. We haven't visited the sports court area in a while, so all the kids were excited to play there.

On Wednesday we started our weekly cooking program. The children helped Emily make rice paper rolls with chicken schnitzel and salad filling. They were fresh and delicious!

Thursday we introduced a program we haven't run before at Blakehurst ASC, Yoga! We put on some children yoga from YouTube, the younger kids joined in and got constructive feedback from the older kids.

We handed out mini surveys to the children on what programs they liked from Term 3 and what foods they liked best. We had positive feedback and will be implementing their suggestions into this terms programs!
