

KYEEMAGH OSHC TERM 4 2020

KYEEMAGH OSHC TERM 4 WEEK 2

Welcome to the first addition of the KCS Kyeemagh OSHC Newsletter. The newsletter is an opportunity for us to share all the amazing programs and activities the children are involved in whilst at care. We will also use the newsletter to share upcoming key dates, links to activities to try at home and to gather feedback from our families. The beginning of Term 4 has been great with the addition of new programs and existing programs introduced in term 3. We will continue to implement a program that centres around the children's interest. This will be achieved by regular check ins and group discussion. We would also like to invite our families to share program ideas and activities they would like to see implemented this term. Please feel free to email jordan.ross@kcs.org.au with any of these ideas.

Jordan Ross - Children's Services Team Leader

Aussie Bird Week

This week at After School Care we celebrated Aussie Bird Week with a craft activity featured below plus a bird count in the playground. During the bird count the children were able to spot Indian mynas, rainbow Lorikeets, pigeons, seagulls, crows and magpies with a total of 52 birds being spotted during our count. This was a great activity where children were challenged to explore the environment around them.
