

## KYEEMAGH OSHC TERM 4 2020

### KYEEMAGH OSHC TERM 4 WEEK 5

On Monday afternoon we ran our weekly cricket program. It was great to see children get involved and we were very impressed with their skills. We are going to look at focussing on a particular aspect of cricket each week for the remainder of the year.

On Tuesday Emily and Tahlia started the week off by celebrating NAIDOC Week. For our drawing competition this week the kids were challenged to create a poster that told a story using only aboriginal symbols. The rest of the afternoon we made freshly squeezed orange juice from the oranges we had in the HUB. We finished off the afternoon by doing some aboriginal dot painting on some paper snakes!

Wednesday we continued celebrating NAIDOC Week by making mini Dampers as part of our cooking program. The kids who missed out on the paper snake dot painting on Tuesday wanted to do it in our spare time whilst we waited for the dampers to cook! The rest of the afternoon we played group ball games outside with Tahlia and Emily!

Thursday morning Tahlia did some Gardening with the kids, we just maintained the plants we already have and prepared for some new ones hopefully soon! The kids did the boomerang craft and then spent the rest of the afternoon playing games outside with Emily and Kayla played teachers and students inside!

Friday we had planned to run our weekly Handball tournament but unfortunately due to the weather we were unable to run the activity. Instead we played some board games inside and watched a movie.

### ACTIVITIES TO TRY AT HOME

**PANCAKES**
