### KYEEMAGH OSHC TERM 1 Week 2

Welcome to KCS OSHC for 2021.

Our year has started with some staffing changes due to the resignation of Tury To, Childrens Services Manager effective 29/1/21. Tury has left us to further her career in education and we wish her all the very best for the future.

Tury's departure coincides with a very busy time across our three OSHC centres, with two of our services awaiting Assessment and Rating visits within the next 6 weeks. We are fortunate that we have a very strong management team within our Childrens Services team and therefore we are delighted to announce that our Team Leader Jordan Ross, has accepted the opportunity to step up in to the Acting Manager role from 1/2/21. Most families will know Jordan well as he celebrated 10 years of service at KCS last August so he is a familiar face to many of you.

As our enrolment numbers across our three centres are still recovering from the impact that COVID 19 has had, we are currently reviewing our Childrens Services structure as part of a wider review and the outcome of this will inform any decisions we make about roles and responsibilities within the Childrens Services team moving forward.

Regards,  
Shelley Ross  
KCS Executive Officer

#### KYEEMAGH OSHC TERM 1 Week 2

Welcome back to Kyeemagh OSHC! We started off the week with doing a morning puzzle, the kids loved this so much they want a new puzzle challenge next week! The children also pulled out the old plants and got ready to put some new ones in! The theme this week is Heart Awareness and will be planting some vegetables healthy for the heart.

Tuesday we took out the soccer net and did some penalty shoot outs outside to get the heart pumping. To continue learning about Heart Awareness we crafted some paper hearts with faces and cardboard hearts with string to add to our healthy heart wall in the classroom!

Wednesday we played some outdoor group games and skipping. We taught them how our heart races when we play sports! Later in the afternoon we came inside later to dance with our just dance program and crafted some heart frames.

Thursday we cooked vegetable lasagna with the kids for our weekly cooking program. The kids picked vegetables which they knew was good for a healthy heart. We finished off the day with some outdoor survival tag!

Friday we researched the health benefits of different plants and chose what the kids wanted to plant in the garden. We finished off a big first week with some movies and popcorn!
